PRESS RELEASE

Surface World Live 2017

22nd - 23rd March, NEC, Birmingham

Turbex Ltd - Hall 7, Stand D1

Lines for surface treatment, including chemical cleaning and anodising, manufactured by Galvatek and sold in the UK by Turbex will be a focus on our stand at Surface World Live 2017. Galvatek is a world renowned company with more than 600 turnkey installations in over 35 countries. Turbex is also market leader in the UK for the supply of aqueous cleaning systems for batch or in-line processing. There are over 100 standard models in the range including top- and front-loading spray washers, bench top and floor standing ultrasonic machines, precision cleaning machines with basket rotation and flood wash options, and tunnel cleaning lines.
